

SEMICONLABS

A PREMIER VLSI TRAINING INSTITUTE

VLSI - DIGITAL DESIGN ONLINE MODULE

SEMICONLABS, a premier VLSI training institute is offering a short term 10-12 week online training programme in VLSI Design.

SEMICONLABS has been closely associated with M/s Adept Chip Services Pvt Ltd., a VLSI design services organization, based out of Bangalore.

Course Director:

Anand S Moghe has 30+ years of Industry experience and 20+ years of Training Experience.

Training is a passion with him. He has trained several engineers in Digital design, Verilog and Logic Verification, and many are now working at good positions in core VLSI Industry.

Contact : anandmoghe@semiconlabs.com

WebSite : www.semiconlabs.com

Phone: 9000923262

Venue:

Semiconlabs
12-13-26 Vissvaas Crest,
Street No 5, Krishnagiri Enclave,
Tarnaka, Hyderabad 500007
(Near Sanman Hotel at Tarnaka Cross-roads)

Selection Criteria:

Interested candidates may send their resumes to anandmoghe@semiconlabs.com
Course is expected to start from 1st July 2020.

Course Flow:

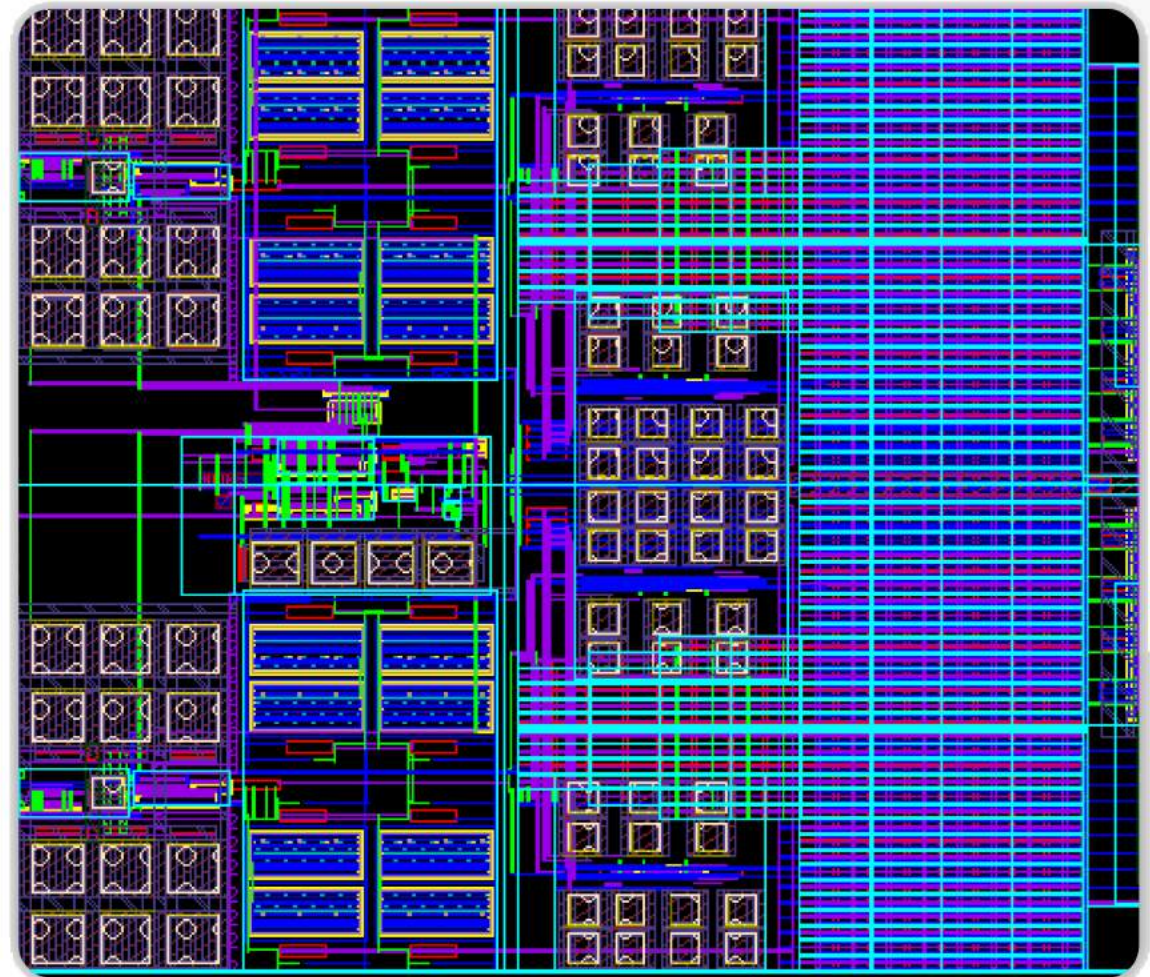

This VLSI course is primarily Frontend-oriented, covering digital design concepts and Verilog HDL. The course is delivered online through Skype/Zoom a secured recommended online conferring application.

Theory sessions 2-3 hours a day will be complemented with regular assignments. Each student will get exposure to the latest EDA tools from Mentor Graphics / Cadence. Course completion certificate will be provided to all the students. Overall, the course content and coverage is focused on the fundamentals and concepts to raise the standard of the students to set their career paths in the industry.

VLSI Module covers the following broad areas:

Front End:

- Digital Design – Combinational logic, and Sequential logic with timing analysis.
- Verilog HDL
- System Verilog

**Eligibility:**

Graduate engineers (2019/2020) & students studying 3rd & final year B.Tech/B.E in ECE/EEE/IE/M.Sc(Electronics) are eligible to apply.

Course Fee:

VLSI -Digital design online module is Rs 20,000/- (Rupees Twenty thousand only). Special discount can be provided to student groups 3+

Students can make this payment in installments as follows:

Initial payment: Rs 12,000/-

Final payment : Rs 8,000/-
